By David Greig

# Yellow Moon – The Ballad of Leila and Lee      The Monster in the Hall

Performed in Japanese / English Subtitle Available

*Yellow Moon* is a modern Bonnie and Clyde tale that follows the fortunes of two young teenagers on the run. *Silent Leila* is an introverted girl who has a passion for celebrity magazines. *Stag Lee Macalinden* is the deadest of dead –end kids in a dead-end town. They never meant to get mixed up in a murder...but now they need a place to hide, and head to the north to see Lee's separated father who lives in a residence in the deep forest in highland...

*Duck Macatarsney*, who is 16 and wants to be a novelist, cares for her biker dad, *Duke*, whose MS is getting worse. *Duke* is a spliff-smoking (for medical reasons!), bike-riding, heavy-metal and horror-movie-loving, pizza-eating widower who has brought up *Duck* since the death of her mum in a crash. The two of them are just about surviving when one morning the *Duke* wakes up blind and *Duck* hears that Social Services are coming to take her away...
